Diplomacy In Black And White: John Adams, Toussaint Louverture, And Their Atlantic World Alliance (Race In The Atlantic World, 1700-1900 Ser.)

Synopsis

From 1798 to 1801, during the Haitian Revolution, President John Adams and Toussaint Louverture forged diplomatic relations that empowered white Americans to embrace freedom and independence for people of color in Saint-Domingue. The United States supported the Dominguan revolutionaries with economic assistance and arms and munitions; the conflict was also the U.S. Navy's first military action on behalf of a foreign ally. This cross-cultural cooperation was of immense and strategic importance as it helped to bring forth a new nation: Haiti. *Diplomacy in Black and White* is the first book on the Adams-Louverture alliance. Historian and former diplomat Ronald Angelo Johnson details the aspirations of the Americans and Dominguans—two revolutionary peoples—and how they played significant roles in a hostile Atlantic world. Remarkably, leaders of both governments established multiracial relationships amid environments dominated by slavery and racial hierarchy. And though U.S.-Dominguan diplomacy did not end slavery in the United States, it altered Atlantic world discussions of slavery and race well into the twentieth century. *Diplomacy in Black and White* reflects the capacity of leaders from disparate backgrounds to negotiate political and societal constraints to make lives better for the groups they represent. Adams and Louverture brought their peoples to the threshold of a lasting transracial relationship. And their shared history reveals the impact of decisions made by powerful people at pivotal moments. But in the end, a permanent alliance failed to emerge, and instead, the two republics born of revolution took divergent paths.

Diplomacy in Black & White: John Adams, Toussaint Louverture, and Their Atlantic World Alliance

By Dr. Ronald Angelo Johnson
Informative! A must read for historians and lovers of early American history. Articulately written and compelling. Dr. Johnson introduces us to early American diplomacy between the colonies, colonial leaders, namely John Adams and Hispaniola (present day Haiti) under the leadership of Toussaint Louverture. Dr. Johnson, draws several lines of interest out his research and raises awareness of racial differences, the use of Naval forces in the Gulf of Mexico, and early American foreign policy while documenting the lives of Adams and Louverture in a biographical context. This edition is well researched and superbly written. This book belongs on a bookshelf between Joseph J. Ellis's *Founding Brothers* and David McCullough's *1776*. I look forward to more well-written books by Dr. Johnson in the future.

This book is very well written and is a fascinating study of Americas history of foreign policy. K Posey
