Public Personnel Administration (2nd Edition)

Synopsis

This book presents snapshots of the issues and events transforming the world of public personnel administration as the new century begins. The book includes both traditional and contemporary issues such as compensation, training, job analysis, sexual harassment, drug testing, and the ADA. This updated edition is easy to read and contains exercises and case problems that help readers apply concepts to examples from real life. For those interested in public personnel management.

Customer Reviews

I purchased this book for a class and I enjoyed Mr. Riley's writing style. He incorporates his sense of humor into the text so it's not as dry as some other HR books.

I've had this man as a political science teacher for years, and not only is he brilliant, but he is well articulated when it comes to the specifics of his subjects. Reading this book is like listening to him in class. If you want to know anything about personnel administration, look no further. This book covers all the details. WONDERFUL JOB!!!

A little bit out of date
