Juan And Eva Peron

Synopsis

Juan and Eva Peron formed a charismatic and formidable partnership, arousing passionate emotions in Argentina during the 1940s and 1950s. Juan Peron's rise to power began in 1943 when he helped organize the successful coup of pro-Axis army officers. He became minister of war, vice-president, and secretary of labor; but was then briefly imprisoned, before being elected president in 1946. It was Eva's phenomenal popularity with the poor that helped Juan secure mass support for his program of social reform and re-election in 1951. Eva, a former actress and subject of scandal, became increasingly influential, securing the vote for women, directing private and government funds to social welfare, and advancing the cause of the workers. The army, however, never accepted her. After a long struggle, she died of cancer in 1952, at the age of 33. After that, Peron lost direction, and was overthrown by a military coup in 1955, only to return in 1973 after a third term in office. He died the following year.

Book Information

Paperback: 128 pages

Publisher: The History Press; New edition (May 1, 2006)

Language: English

ISBN-10: 0750945567

ISBN-13: 978-0750945561

Product Dimensions: 5 x 0.6 x 7.5 inches

Shipping Weight: 4.2 ounces

Customer Reviews

I thought I had read enough about Evita Peron to form an opinion as to who she really was, looking at her activities as first lady of Argentina. Have visited all the Evita sites in B.A. to find out more. This book is a totally new slant on who she really was, with much more negative info than I have found in other books that deify her. He may be closer to the truth than books written by her friends and family. I have found that can find just about any title or subject that I am looking for and usually at a very fair price.
