Health Law: Cases, Materials And Problems (American Casebook Series)

Synopsis

For more than two decades, *Health Law: Cases, Materials and Problems* has defined the field of health law, providing a balanced overview of law as it affects patients, professionals, institutions, and entities that deliver and finance U.S. health care. The 7th Edition of *Health Law* comprehensively reviews the provisions of the Affordable Care Act with topics such as the oversight of quality (including the latest developments in patient safety), cost control (including consumer-directed health care), guarantees of adequate access to services, exempt-organization tax issues, transactions and relationships among health care professionals and providers, the Employee Retirement Income Security Act (ERISA), and malpractice litigation. The Supreme Court decision in *National Federation of Independent Business v. Sebelius* is carefully edited to present all the issues in the case. Written without a policy bias to fairly reflect all viewpoints, the book considers legal and ethical issues involving death, human reproduction, medical treatment decision making, and medical research. It also explores the government's efforts to control costs and expand access through Medicare and Medicaid and examines government attempts to police anticompetitive activities, fraud, and abuse. Using carefully edited primary materials and effective classroom-tested problems, the book exposes students to the core issues in health law using the most recent judicial and statutory materials.

Book Information

Series: American Casebook Series

Hardcover: 1888 pages

Publisher: West Academic Publishing; 7 edition (June 20, 2013)

Customer Reviews

Expensive textbook that I needed for class. Renting it from , so the price wasn't nearly as

horrendous. Great quality, looks new almost.

Quick ship and delivered as described. Will use them again if given the opportunity.

Cases are interesting but would recommend getting case briefs to go along with it.

Excellent condition. Huge book. Received as expected. No complaints.

Came right away. Very little wear and tear as advertised. Great Buy!
