BLACK'S LAW DICTIONARY; DELUXE 10TH EDITION

Synopsis

The deluxe edition of this law dictionary contains more than 50,000 terms, earliest usage dates for nearly all terms, pronunciation guidance, Latin maxims, and more. For more than a century, Black's Law Dictionary has been the gold standard for the language of law. Today, it's the most widely cited law book in the world. By Editor in Chief Bryan A. Garner, the world's leading legal lexicographer, the 10th Edition is the most authoritative, comprehensive law dictionary ever published. It contains more than 50,000 terms and includes: More than 7,500 terms new to this edition, including affluenza, defense, bioweapon, cryptanalysis, gazump, hacker, legaldybook, intrapreneur, mommy track, one-bite rule, psephology, unperson, and zero-tolerance law 16,000 new definitions and expanded bibliographic coverage, with more than twice as many sources quoted and cited than in the 9th Edition Earliest usage dates in English-language contexts for nearly all terms (Black's is the only legal dictionary with this feature) Trusted authority every term has been reviewed for accuracy by attorneys across the country Definitions of more than 1,000 law-related abbreviations and acronyms Pronunciation guidance Thoroughly reviewed and edited Latin maxims, with 900 new maxims added This deluxe edition has a premium faux leather cover and thumb cuts for fast look-ups.

Customer Reviews

There's not much to say. \$130 for a five pound dictionary. This deluxe 10th edition of Black's replaces my standard 9th edition. I also have the two volume deluxe edition of Bourviers. You can't go wrong with either. An extra \$50 for the deluxe Black's upgrade buys you a puffy faux leather

cover and finger-tabs. I won't pretend that it's worth the extra money. Books are my weakness, so I always splurge on the best copy. I will say that purchasing the 10th edition Black's is a savvy upgrade if you currently own an older version. This edition has 7,500 new terms (post-9th edition published in 2009). I find the most recent version of Black's definitions invaluable for grad school, law school, and for use in court. Seeing that Black's publishes a new edition roughly every five years, investing in the gold standard (either the deluxe or standard 10th edition counts!) is a worthwhile purchase for a book you'll reference for the next half decade.

The deluxe edition is very user friendly. Looking up words and phrases has been simplified.

My less than perfect rating on this is strictly related to this particular binding. Black's Law Dictionary in itself is indispensable. I just don't think the premium price for the Deluxe edition is worthwhile. It is definitely a very handsome tome, but that doesn't make it any more functional. The added feature of thumb tabs are what I was looking for to make it more functional but, for me, they are not helpful. They are a little small for my fingers and don't actually bring the reader to the labeled letter(s) of the alphabet but rather a bit before it. Again, indispensable resource, beautiful volume, not worth the premium cost for this particular binding.

Currently litigating Divorce and Custody w/ psycho husband Pro se. This book is AMAZING!!! Might go to law school as soon as this craziness is over. Regardless I foresee using this reference material for many years to come.

Bought for my Family Court Case: Lost my fulltime job and can't pay alimony. Now I can understand terms Judge (More than minimally intellectually impaired) and ex-wife's counsel toss about as if all we non-lawyers understood. Still, best advice: Find the best (aggressive and within bounds of court language, as 'nasty' as possible). DO NOT EVER THINK about representing yourself. See "The Godfather" by Mario Puzo for Don Corleone's comments on Lawyers!

This is THE dictionary you're looking for if you're L1 and have no idea of where you're standing or who your parents are, or why did they let you make the terrible choice -which can only be described as an unforgivable mistake and the ultimate act of self-hatred-, of studying Law. I mean, I think the book is good. I'm an L1... What the fudge do I know, right?

I bought this for my mother who is a paralegal and she loved it! The book arrived wrapped in plastic and it appears just as pictured. Thank you!

Arrived in perfect condition. And it has already saved my butt a few times when doing research!
